

# MaxHire

## Front Office to Back Office and everything in between

MaxHire will slash your software expenses and transform your productivity by replacing disconnected software from multiple vendors with one integrated solution. Over 2000 firms in 25 countries rely on MaxHire to automate full lifecycle recruiting and staffing, from business development to invoicing customers.

**Enterprise Front Office:** Automate the process of turning client and candidate leads into customers.

### Recruiting

- ▶ Applicant tracking
- ▶ Full-text searching
- ▶ Resume parsing

### Sales

- ▶ Track customers and contacts
- ▶ Relationship management
- ▶ Performance metrics

### Marketing

- ▶ Emailing jobs and newsletters
- ▶ Candidate career portal
- ▶ Job board posting

### Integration

- ▶ Real-time Outlook integration
- ▶ Mobile devices
- ▶ Back office and HR integration

### Business Intelligence

- ▶ Visually stunning dashboards
- ▶ Interactive drill down
- ▶ Fully customizable

### Premium Sourcing and Lead Generation:

Automate sourcing new client and candidate leads without leaving MaxHire.

▶ **Hoovers Company Data**  
Search 65M+ companies and get full company research reports with competitors and financials.

▶ **TalentHook Harvesting**  
Harvest resumes on 1500+ sites like Monster, Careerbuilder, DICE, and craigslist.

▶ **Jigsaw Contact Database**  
Get phone numbers and email addresses for over 22 million decisions makers.

▶ **LinkedIn Searching**  
Source over 100 million passive candidates with built-in LinkedIn searching.

### Financials – Commissions, Invoicing, Time and Expense:

End-to-end automation reducing mistakes, and eliminating duplicate data entry.

▶ **Commissions Calculations**  
Supports complex permanent placement and contract commission plans.

▶ **Time and Expense**  
Online time and expense submission and approval. Easy to use and learn.

▶ **Invoicing**  
Automated invoicing for contract and permanent placement.

▶ **Integration**  
Exports into most popular systems like Quickbooks and ADP.
